

Age (Ma)	Eon	Era	Period	Era	Period	Epoch	Stage	AGE (Ma)								
2.6	Phanerozoic	Cenozoic	Neogene	Cenozoic	Neogene	Pliocene	Catalban/Gelasian	2.6								
5.3			Paleogene				Pliocene	5.3								
100		Mesozoic	Cretaceous				L	Tortonian	Miocene	L	Tortonian	23				
								Serravalinian		M	Serravalinian					
								Burdigalian		E	Burdigalian					
200		Paleozoic	Triassic				L	Chattian	Oligocene	L	Chattian	34				
								Rupelian		E	Rupelian					
								Priabonian		L	Priabonian					
300		Paleozoic	Permian				L	Bartonian	Eocene	M	Bartonian	56				
								Lutetian		M	Lutetian					
								Ypresian		E	Ypresian					
400		Paleozoic	Carboniferous				L	Thanetian	Paleocene	L	Thanetian	66				
								Selandian		M	Selandian					
								Danian		E	Danian					
500		Proterozoic	Paleoproterozoic				Ediacaran	Mesozoic	Cretaceous	L	Maastrichtian	100				
600											Neoproterozoic		Cryogenian	L	Campanian	
700															Late	Santonian
800																Coniacian
900																Turonian
900	Early			Tonian	Albian											
1000					Aptian											
1100					Barremian											
1200	Middle			Stenian	Hauterivian											
1300					Valanginian											
1400					Berriasian											
146	Late			Ectasian	Tithonian											
161					Kimmeridgian											
176					Oxfordian											
176	Early			Calyimian	Callovian											
200					Bathonian											
200					Bajocian											
200	Middle			Statherian	Aalenian											
228					Toarcian											
245		Pliensbachian														
251	Early	Orosirian	Sinemurian													
260			Hettangian													
271			Rhaetian													
271	Late	Rhyacian	Norian													
299			Carnian													
318			Ladinian													
318	Middle	Siderian	Anisian													
359			Olenekian													
385			Induan													
385	Early	Mesoarchean	Changhsingian													
416			Lopingian													
423			Wuchiapingian													
423	Late	Paleoarchean	Capitanian													
428			Wordian/Roadian													
444			Kungurian													
444	Middle	Eoarchean	Artinskian													
461			Sakmarian													
461			Asselian													
461	Early	Eoarchean	Gzhelian													
472			Kasimovian													
488			Moscovian													
488	Late	Eoarchean	Bashkirian													
501			Serpukhovian													
510			Visean													
510	Middle	Eoarchean	Tournaisian													
521			Famennian													
521			Frasnian													
521	Early	Eoarchean	Givetian													
542			Eifelian													
542			Emsian													
542	Late	Eoarchean	Pragian													
542			Lochkovian													
542			Pridoli													
542	Middle	Eoarchean	Ludfordian/Gorstian													
542			Homerian/Sheinwoodian													
542			Telychian													
542	Early	Eoarchean	Aeronian/Rhuddanian													
542			Hirnantian													
542			Katian													
542	Late	Eoarchean	Sandbian													
542			Darriwilian													
542			Floian													
542	Middle	Eoarchean	Tremadocian													
542			Stage 10													
542			Stage 9													
542	Early	Eoarchean	Paibian													
542			Stage 7													
542			Drumian													
542	Late	Eoarchean	Stage 5													
542			Stage 4													
542			Stage 3													
542	Middle	Eoarchean	Stage 2													
542			Stage 1													
542			Stage 1
